Deafness Cannot Be Cured by blood applications, as they do not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. And unless the inflammation is taken out and this tube restored to its normal condition, hearing will be destroyed forever, unless cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by HALL'S CATARRH CURE. Send for circulars, free.

BAKERY LUNCHES

Now that our Bakery is open again, we think it an advantage to down-town lunchers to eat here. Nowhere else can you select just your own particular bread—be it rye, Graham, French or just rolls.

You get it either hot or cold for the asking. "We also can serve a wide variety of cake. We've always got something fresh on top—hot rolls at eleven, bread and pies at noon, doughnuts at five, other things all day long.

Fall Weights

Our Spring, Summer, Fall and Winter Weights are all the same. Sounds strange, but it's sure true. We give the same old heavy weight tons the whole year 'round. Do that because we have a conscience that's tender as a pet corn. Besides we really want you to get all you pay for and then get some more of the same kind. We guarantee two thousand pounds of fuel satisfaction in every ton of it.
